THE GRAND GIFT CONCERT

\$500,000 IN BANK TO PAY PRIZES. A FULL DRAWING IN SIGHT.

The Grand Gift Concert, for the benefit of the Public Library of Kentucky, is postponed to Saturday, the 7th of December, for the ioliowing rya ons:

1. The salture of certain agents to make returns in time for the drawing to take place Reptember 23.

2. The socumulation of orders during the last few days to such an exten that if was not possible to fill them and have the drawing on the 24th.

3. The renerally expressed dosire of ticket holders that a full drawing might be had, even if it made a short postponement necessary.

4. The belief of the management that by a short postponement the remnant of unsoid tickets can be disposed of and all the prizes paid in full without the necessity of any pro rata realing down.

For these reasons, coupled with the earnest desire to benefit the Public Library by a larger balance and the ticket holders by larger girs, the concert and distribution have been po-uponed to Saturday, the 7th day of December, 1872. On that day and no other the drawing will positively and un-quivocally come off in the great hall of the Public Library building, beginning at precisely 6 o'clock A. M., and continue until the whole of the one thousand gitts are awarded.

The payment of the girts will begin the 3d day after the drawing, and continue for six months, in current funds, by the Farmers and Unovers Bank, or by sight drast upon the Fourth National Bank, New York, at the option of the gitt ticket holders.
